August 2018

Forward Looking Statements

This Descriptive Presentation (the "Presentation") is being furnished solely for use by prospective parties in connection with their consideration of a potential transaction with Barfresh Food Group, Inc. (the "Company").

Prospective parties are not entitled to rely on the accuracy or completeness of the Presentation and are entitled to rely solely on only those particular representations and warranties, if any, which may be made by the Company to a party in a definitive written agreement, when, as and if executed, and subject to such limitations and restrictions as may be specified therein.

Each recipient agrees, and the receipt of this Presentation serves as an acknowledgment thereof, that the subject matter hereof and all of the information contained herein is of a confidential nature and that the recipient will treat such information in a confidential manner and will not, directly or indirectly, disclose or permit its affiliates or representatives to disclose any information regarding its receipt hereof or any information contained herein to any other person or reproduce, disseminate, quote or refer to this Presentation, in whole or in part, without the prior written consent of the Company.

This Presentation contains forward looking statements and projections, which are subject to many operational and industry risks, uncertainties and assumptions, including management's assessment of future financial performance, results of anticipated growth strategies and anticipated trends in the business and industry. There are many business factors that could cause future actual results, the level of business and financial performance to differ materially from the information expressed or implied by the forward-looking information and projections. Readers should use their knowledge of the business and industry to critically assess all forward looking statements and projections.

Statistical information contained in this Presentation is based on information available to the Company that the Company believes is accurate. It is generally based on publications that are not produced for the purposes of securities offerings or economic analysis. The Company has not reviewed or included data from all sources and cannot assure prospective parties of the accuracy or completeness of the data included in this Presentation. Forecasts and other forward looking information obtained from these sources are subject to the same qualifications and the additional uncertainties accompanying any estimates of future market size, revenue and market acceptance of products and services. The Company undertakes no obligation to update forward looking information to reflect actual results or changes in assumptions or other factors that could affect those statements.

This Presentation has not been filed or reviewed by, and the securities offered hereby have not been registered with or approved by the Securities and Exchange Commission ("SEC") or any securities regulatory authority of any state, nor has the SEC or any such authority passed upon the accuracy or adequacy of this Presentation.

This Presentation does not constitute an offer to sell or solicitation of an offer to buy any securities. The sole purpose of this Presentation is to assist prospective parties in deciding whether to proceed with a further investigation and evaluation of the Company in connection with their consideration of a potential transaction with the Company. This Presentation does not purport to contain all information which may be material to a prospective party, and recipients of this Presentation should conduct their own independent evaluation and due diligence of the Company. Each recipient agrees, and the receipt of this Presentation serves as an acknowledgment thereof, that if such recipient determines to engage in a transaction with the Company, its determination will be based solely on the terms of the definitive agreement relating to such transaction and on the recipient's own investigation, analysis and assessment of the Company and the transaction.

The Company reserves the right, in its sole discretion, to reject any and all proposals made by or on behalf of any prospective party with regard to a transaction with the Company, and to terminate further participation in the investigation and proposal process by, or any discussions or negotiations with, any prospective party at any time. The Company does not intend to update or otherwise revise this Presentation following its distribution.

AGENDA

- I. Introduction

III. SALES AND DISTRIBUTION STRATEGY

Sales Process Summary

Barfresh

- Product development
- Training
- Strategic partnership with Sysco and PepsiCo
- Leverage exclusive broker network

Barfresh Internal Sales Team Focused on Large Accounts

- Restaurants
- Education
- Military
- Healthcare
- Travel and Leisure
- Business and Industry

Good things
come from
Sysco™ & other distributors

- Facilitate new business
- Warehouse and deliver product
- Provide frozen supply chain to end customers

 **PEPSICO**

- Drive distribution with enormous customer base
- Manage and maintain customer relationships
- Provide marketing, PR & trade support
- Full integration into PepsiCo system

barfresh®

Exclusive Distribution Partnership

- **Exclusive multi-year partnership** with the **world's largest food & beverage distributor** – Renewed & extended for two years in October '17
- Full product distribution in **all 72 Sysco operating companies** across the United States
- Recent **expansion to major Canadian hub** in Toronto in **May '17**
- Barfresh selected to its internal “Cutting Edge Solutions” marketing initiative for the second straight year in February '17
- Barfresh awarded Sysco’s “Emerging Supplier of the Year Award”

barfresh®

Exclusive Sales Partnership

- **Exclusive multi-year sales partnership** with PepsiCo signed October 2015
- PepsiCo's 1000+ Foodservice **sales team trained and actively selling** Barfresh product
- In process and **access to PepsiCo's national, local, regional and new business customers** in all lines of business (healthcare, travel and leisure, college and universities and restaurants)
- Currently in varied stages of product development and testing with several national customers
- **Engaged with** several of the **major global on-site foodservice operators**, opening a significant incremental sales channel

barfresh®

IV. SALES CHANNELS

National Account Sales Overview

National Account Rollout Process

Currently in various stages of product development and testing with several National Accounts

Abundant National Account Opportunities

1st National Account Customer Rollout

- Major milestone – April 2018 rollout with a National Customer
- Adding Barfresh's Dairy and non-Dairy Smoothie options to menus in over 1,000 locations
- Further location expansion expected throughout 2018
- Customer is one of the largest in the foodservice industry

Robust QSR Pipeline

- Progression with major national account prospects continues
- Expects to move other national account tests to signed agreements/rollouts

Innovation For Elementary and Secondary Schools

Massive market potential¹

School students in the United States

14K districts → 98K+ schools

Current contract with

Over 200

school serving locations
as of July 2018

Acceleration expected
for new school year 2018

- Barfresh is pursuing Global Military bases, which support its 1.3 million active troops

barfresh®

V. OPERATIONS

Scalable Manufacturing Capabilities & Relationships

Flexible Operating Model Provides Opportunity to Scale Quickly

Utilize two contract manufacturers that provide Barfresh efficient national coverage.

- Salt Lake City, Utah & Searcy, Arkansas
- Allows **maximum flexibility** to manage volume fluctuations and start up requirements

Barfresh-owned packaging equipment positioned on manufacturing line to work seamlessly with contract manufacturer's equipment and infrastructure

- Ability to **ramp up to additional 100 million units** of annual capacity
- CapEx for Barfresh equipment is **~\$1 million per 20 million units** (annually)

Procurement-related synergies

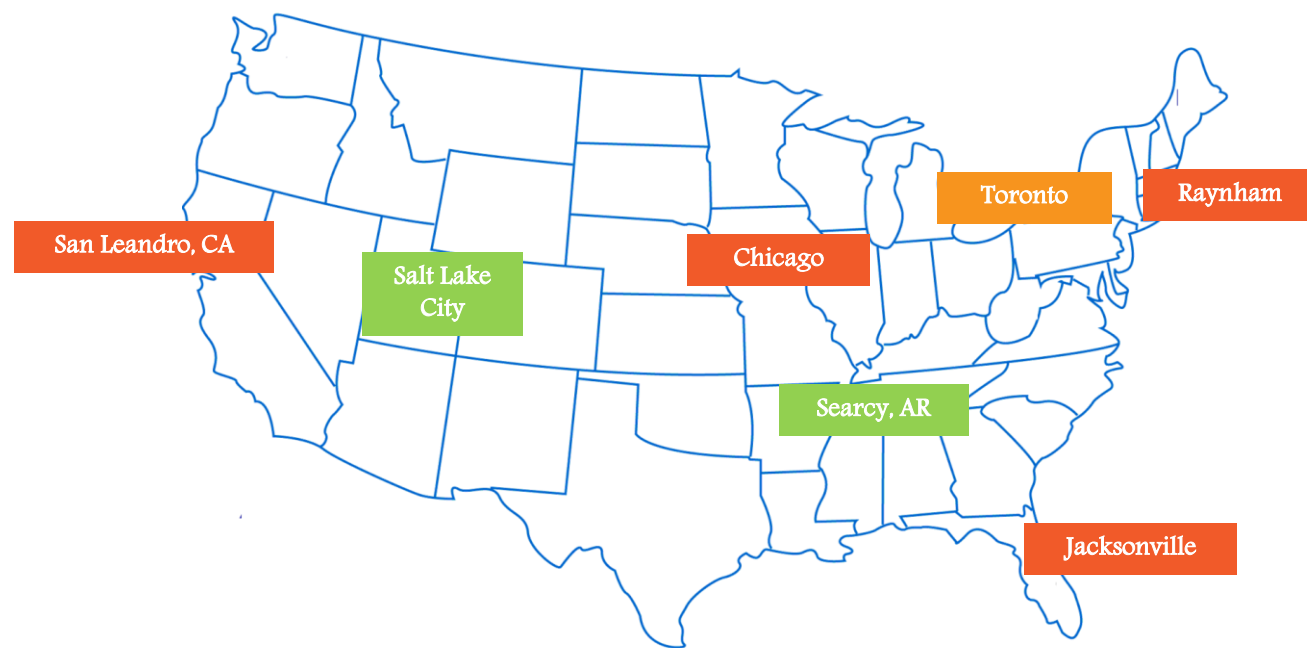

Long-term targeted gross margins in excess of **50%**

Supply Chain In Place To Meet Increased Demand

Alignment with multiple forward warehousing partners enhances Barfresh's ability to service customers across North America

- Inventory strategically located at forward warehouses in Chicago (IL), Raynham (MA), Jacksonville (FL), San Leandro (CA), and Arkansas
- System facilitates quicker order fulfillment, and enables customers to order less than full pallet orders on a weekly basis to directly address specific customer requirements
- Ability to achieve full truckload rates to forward warehouses as our business gains scale
- Extended distribution into Eastern Canada in May '17
